PUBLIC COMMENTS:

- Chris Kirby expresses concern for the removal of the speed humps on South Concord road and would like the Board to reconsider replacing them.
- Chief Bernot presented a plan for traffic enforcement; South Concord Road will receive 15-20 hours per month. Speed enforcement has been started since the enforcement lines are now painted on the street.

- Ann Connelly expressed her concerns with the removal of the speed humps and speeding on S. Concord Road. Paul Kittle provided his observations about vehicles not heeding the stop sign posted and at what times he feels it takes place most (non-rush hours). Chief Bernot appreciated his observations and would take the information back to the traffic team. He also offered his driveway for police enforcement of S. Concord Road. Mr. Kittle also felt that the speed humps deteriorated due to water accumulating near them and going through series of frost/freeze cycles.

- Michael Connelly feels that the speed has increased on the road and that safety issues will increase as well. He stated that he expects the volume to increase and requests the Board to reconsider replacement.
