1. Approval of Minutes

The minutes of November 11, 2015, were approved as distributed.

Judy Lizza reported that the springhouse roof is completed except for one finishing piece, which is on order. The old support members will be stored inside the springhouse. Judy Lizza has taken a series of photos documenting the work.

Michele Thackrah will follow up on the November email exchange with the Preservation Alliance of Greater Philadelphia and will request a joint visit of the property with a representative from the Preservation Alliance's easement committee.
