

THORNBURY TOWNSHIP (CHESTER COUNTY)
HISTORIC PRESERVATION COMMISSION
February 10, 2015

Present: Molly Morrison, Randell Spackman, Michele Thackrah, Kris Walker, Dick Webster. Bob Anthony, chair of Board of Supervisors.

1. Approval of Minutes

The minutes of January 14, 2015, were approved as distributed.

2. Springhouse Update

The Board of Supervisors accepted Dale Frens's existing-conditions drawings and have compensated him for them.

A new tarp has been put on the roof and the roof supports have been strengthened. The sycamore tree at the east end of the springhouse will be cut down in the near future.

The roofing project is progressing. Some commission members may attend a Board of Supervisors work session, March 3, if discussion of the springhouse is advisable at that time.

3. Zoning Officer

The commission will try to arrange a meeting with the zoning officer that he has requested.

4. *Gander* Article

Dick Webster will write an article on Rokeby Stock Farm (Brian's House) for the spring issue of *The Gander*. Due date is March 1.

5. Township Logo

The commission strongly recommends having the Cheyney Park Springhouse the focus of a new township logo. It will try to provide a visual draft soon.

Richard J. Webster
Commission Secretary
