

DRAFT
THORNBURY TOWNSHIP (CHESTER COUNTY)
HISTORIC PRESERVATION COMMISSION
JULY 16, 2015

Present: Michele Thackrah, Randell Spackman, Dick Webster.

1. Approval of Minutes

The minutes of June 10, 2015, were approved as distributed.

2. Springhouse

The commission met at the Squire Cheyney Farm Springhouse, where the roof has been removed.

The commission is pleased that work on the building is under way, but is disappointed that the contractor who removed the roof left the wooden members lying on the wet grass and did not number the members as they were being removed. This makes accurate restoration more challenging. It also points out the need to hire a contractor experienced in repairing and restoring historical buildings to replace the roof.

3. Subdivision Plan for 1300 South Concord Road

Arrangements for the commission to visit existing buildings on the former Rokeby Stock Farm property could not be made.
