HISTORIC PRESERVATION COMMISSION MEETING
Wednesday, January 8, 2014**

Present: Chris Lang (chair), Michele Thackrah, Kris Walker, Dick Webster

Reorganization Meetin

The reorganization meeting will be, March 12, 2014.

Regular Meeting

1. Approval of Minutes of November 13, 2013

The commission approved the minutes of November 13, 2013.

2. Squire Cheyney Property

Chris Lang reported that the property has been sold to a Thornbury Township resident.

3. Squire Cheyney Springhouse

The commission is distressed that the Board of Supervisors has done little to sufficiently protect and stabilize the springhouse. The commission requests that work be done on the springhouse through competitive bidding and that the commission be included in the review of the request for proposal for stabilizing the springhouse.

4. *The Gander* Article

Molly Morrison will write an article on open space for the February edition.

5. Oral History Project

The CD of the Frank Hash interview was reviewed. It is now part of the township's archives. The commission plans to interview Elijah Dallett next.

The commission is investigating other possible producers of interview CDs.

6. Proposed Exhibit and Scriptwriting Workshop

The commission does not recommend the proposed workshop; its scope is unclear. If the Board of Supervisors would like to have someone propose an interpretation of the park, the commission would like to be involved in developing specifications for the project.
