001 APPROXIMATE LOCATION OF HISTORIC RESOURCE [1]

## PARCELS WITH HISTORIC RESOURCES [2]

- NATIONAL REGISTER OF HISTORIC PLACES
- NATIONAL REGISTER - DETERMINATION OF ELIGIBILITY
- PENNSYLVANIA HISTORIC RESOURCE SURVEY FORM DOCUMENTATION
- CHESTER COUNTY HISTORIC RESOURCE SURVEY - 2009
- BRANDYWINE BATTLEFIELD NATIONAL HISTORIC LANDMARKS
- SCENIC LOCAL ROADS - from Open Space and Rec Plan
- SCENIC COLLECTOR ROADS - from Open Space and Rec Plan
- SCENIC ROAD REQUESTS - from Public Meetings

Notes:  
 [1] The 2009 Thornbury Township Historic Resources Survey included a new numbering system and does not correspond to the numbering system used in the 1980 Chester County survey

[2] While all of the "parcels with historic resources" are included in the 2009 Chester County Historic Resources Survey, they are further identified on this map according to other levels of recognition or documentation, which include the National Register of Historic Places (yellow), those properties that have received a "determination of eligibility" from the Pennsylvania Bureau for Historic Preservation (beige), properties for which Pennsylvania Historic Resource Survey Forms have been completed (blue). The rest of the properties (shown in pink), include the other properties listed in the Chester County Historic Resources Survey.
