Such appeal shall be within 30 days of approval, unless such person alleges and proves that he had no notice, knowledge, or reason to believe that such approval had been given. Nothing contained herein shall be construed to permit the beginning of construction by any building or alteration thereof until a building permit has been obtained from the Building Inspector of Thornbury Township and nothing herein contained shall be construed to permit the occupancy of any building for which application has been made until Building Inspectors certifies that he has inspected the work and approves the same as being conformity with the applicable Township Ordinances.
